AN EVENT BY

Dear Esteemed Sponsors, Exhibitors, and Visitors,

Welcome to country's biggest hospitality event, the 12th edition of HORECA Kuwait!

It is with immense joy that we extend our heartfelt greetings to you. This remarkable journey wouldn't have been possible without the unwavering support of the hospitality community and the remarkable collaborations with our sponsors and exhibitors. Your gracious contributions have fuelled our vision to be the premier hospitality exhibition in Kuwait.

Throughout the years, HORECA has evolved into a beacon of excellence in the hospitality industry, earning recognition as a hub for networking, product showcases, and technological advancements. The invaluable partnerships we've cultivated have led to sustainable growth, receiving exemplary feedback and executing strategic plans with finesse.

The HORECA experience has been nothing short of sensational, ingraining itself as a household name within the hospitality sector and the broader community. It serves as a platform for professionals to network, exhibit their latest products and technologies, and for chefs and housekeepers to display their talents in events such as the Culinary Art Show and Bed Making Competition.

In our ongoing pursuit of excellence, we are thrilled to announce our return to the prestigious Hall #8 of Kuwait International Fairgrounds, a symbolic return to the peak of our success before the pandemic. This edition promises an even more significant impact with over 60 sponsors and exhibitors, participation from more than 300 chefs and housekeepers in various competitions, including culinary, bed making, and barrista contests. Additionally, we are proud to continue our distinguished HORECA Talks, featuring influential personalities from the region.

As we embark on this exciting journey, we aim to surpass expectations and ensure satisfaction for all stakeholders involved. We express our deepest gratitude for your continuous trust and support, which propels us to new heights.

Here's to another edition of HORECA Kuwait – where innovation, collaboration, and excellence converge!

Warm regards,

Nabila M. Al Anjari

ACTIVITY

A leading company in the import, trade and distribution of food and consumables, Aleid Foods Company was established in 1994 with a paid-up share capital of KD 30Million.

Aleid Foods holds a significant share of the local market as it serves the needs of consumers through value offerings and quality products. The Company owes its 30 years of success to a flexible and vertically-integrated business model that enables it to provide a wide range of solutions for the food industry. With its strong distribution network and logistical setting, Aleid Foods brands are found on every shelf and in every household thanks to a wide distribution in cooperative societies (coops), supermarkets as well as the government-owned "Tamween" supply, small groceries and food catering companies.

Today, Aleid Foods is a leading name in the food industry, offering wide range of products mainly in the frozen meat and poultry, while expanding its operations into the food services category with high quality product lines and world class services that is set to raise the benchmark of the industry.

The Company remains focused on reinforcing its financial and operational position by growing its market share in Kuwait, expanding to new markets including Riyadh/KSA and Dubai/UAE, as well as launching new products and acquiring the distribution rights of regional and international food brands.

ACTIVITY

UTC was one of the first retail outlets in the GCC region, established in 1949 by the late Abdul Razzaq Al Razzouqi, a long serving Kuwaiti diplomat and businessman, and the late Daniel Hasso, an American engineer and entrepreneur.

UTC has been one of the leading business pioneers in Kuwait, and a premier wholesaler, retailer and distributor, with over 75 years of proven experience.

We have established ourselves as a retailer, offering both new and established brands across many different markets and industries with continuous market leadership across Fashion, Electrical Appliances and FMCG segments, providing high levels of consumer and buyer satisfaction.

The company's steady growth is based upon three founding principles: VALUE, TRANSPARENCY and FAIRNESS.

ACTIVITY

Founded in 1989, National Medical Consumable Industries (Natmed) has established itself as a market leader in the foodservice consumables and medical disposables industries. The company was formed with the aim of developing the product range available in the Kuwait market at the time, and the company values still remain the core of the operations today. Natmed has been at the forefront of Kuwait's increasing usage of eco-friendly disposables manufactured out of Sugarcane & Kraft material. Keeping up with today's world of customized packaging, Natmed owns & operates its own printing press for customized boxes, cups, bags and various other items. On the medical front, Natmed is an established supplier of disposables to the Ministry of Health, KOC and esteemed private hospitals.

Website: www.certifiedangusbeef.ae

ACTIVITY

CERTIFIED = BEST BEEF

Every bite should be tasty, tender and juicy. We feel the same way! Here's the big secret: Certified means it's certified to taste great, always. The rest is up to you – and we're here to make cooking beef simple.

Remember,

If it's not CERTIFIED, it's not the best.

When you see the Certified Angus Beef® label, you know two things: every bite of beef will be delicious, and this Angus beef comes from farmers who put in the extra work to ensure your beef is the best.

Fast Facts

Angus is a breed, not a brand, and when you see the Certified Angus Beef® label, you've found the best of the Angus breed.

To earn our label, beef must grade Choice or Prime by independent USDA graders. Then, it must meet 10 exacting standards for taste and tenderness.

لحوم الأنجوس

ACTIVITY

Founded in 1984, USA Poultry and Egg Export Council (USAPEEC) is an industry-sponsored trade association dedicated to increasing exports of U.S. poultry and egg products to foreign markets through marketing, trade policy, and technical programs. The Council is comprised of a network of international offices and consultants implementing programs in key global markets. Although USAPEEC has traditionally focused on international marketing efforts, the Council has evolved into an association that is an advocate for the industry on trade and policy issues. AMFI are marketing consultants of USAPEEC, covering the MENA region as well as the South Caucasus & Turkmenistan.

ACTIVITY

Foodics, MENA's leading restaurant and payment tech provider, is a one-stop-shop restaurant operations and financial management solutions that enables restaurateurs to effortlessly control, streamline, and grow all their operations, anytime and from anywhere.

Through access to rich real-time insight, restaurant owners are able to discover untapped potential as they build a data-driven culture that will not only keep their customers happy and returning but also help them achieve overall operational success.

Whether it's a cloud kitchen, a dine-in restaurant, a local bakery, a food truck, a quick service restaurant, a franchise, or a large-scale restaurant chain, our product lineup, software solutions, and third-party SaaS marketplace future-proofs restaurants. We help them forge ahead within the F&B industry by supporting their end-to-end digital transformation; thereby, accelerating their growth.

Founded in 2014 and headquartered in Riyadh, Foodics has a growing presence across MENA in 6 countries, including Saudi Arabia, UAE, Egypt, Jordan, Kuwait, and the Netherlands, as well as internationally, currently serving over 35 countries. We have successfully processed over 6 billion orders through the platform so far, making Foodics one of the most promising SaaS companies to emerge from the MENA region.

ACTIVITY

By the 1960's the grey cattle staff has had a drastic decrease. For saving it the breeders of the remained herds with an exemplary collaboration often against the contemporary rules, saved the species from dying off. As a fulfillment of this professional cooperation, yearly meetings has been held from 1982, and in 1991 as soon as it was possible, the Hungarian Grey Cattle Breeders' Association was founded, as one of the first civil organizations in the country. After all the association started a fast growing, today it is nation-wide organization with hundreds of active members.

The aim of the Association:

Breeding, defending, spreading and introducing the grey cattle species, improving and using its valuable properties considering the rules of gene conservation. We regard the species as a national value, and its maintenance is the future's interest. (citation from the Constitution of the Association)

Manufacturers of Disposable Products for the Food Industry - PS/PP/PET/HIPS/EPS

In 1986 K-PAK started its operation in Kuwait and was the first leading company in the Middle East to lay foundation of disposable tableware. In 2000 expansion was done in KSA (Dammam & Jeddah) in 2007 expanded in RAS Al Khaimah UAE. Now again a new plant in Riyadh KSA. As the company thrived in the business industry, the demand for K-PAK group products has increased exponentially. K-PAK launched a trading company in 2019 in Dubai named K-CONCEPT.

K-PAK group offers the largest range of disposable products in take away food, grab on the go containers, tableware, trays, and cups. Serving the food industry in retail, catering, supermarkets, hypermarkets, bakeries and fast food. K-PAK has the high technology "Vamprilla" super absorbent tray this packaging suffices the requirement of meat & poultry processing industry. The absorbent ratio is 5 to 8 times of the trays weight, of liquids emanation from fresh cuts relieved the concern of "Shelf-presentation" and improved shelf life.

K-PAK expansion in PET/PP/PS compliments its growing portfolio of food packaging.

K-PAK vision is to excel as leading manufacturer through service quality and innovation within a framework dedicated to safety, social and environmental responsibility.

Commitment: On time delivery with minimum lead time dedicated sales network. Entirely customer driven.

Quality: Concentrated approach to the industry has made K-PAK become the leader with the finest state of art machinery and modern equipment's.

The group has stacked in the project heavily to make sure that our customers get all possible packaging solutions from around the world under one roof.

ACTIVITY

Hospitality Services founded HORECA Lebanon in 1994. The annual trade fair has become an essential business meeting place for the hospitality, foodservice and beverage industries. Bringing together international chefs and experts, mixologists, restaurateurs, producers, distributors and industry leaders, over 18,000 trade visitors attend the annual event, which provides a vital gateway for industry leaders to network and do business.

The eagerly anticipated event spotlights the latest trends, innovations and market solutions, hosting live cooking demonstrations, culinary, bar and hospitality competitions, panel discussions and networking sessions with the region's top players.

Furthermore, HORECA provides a platform for young talents to showcase their skills in a variety of competitions that reward creativity and excellence across the different layers of the industry.

With belief in the wealth of knowledge, passion and talent that exist in Lebanon, HORECA Lebanon reaffirms Beirut as the capital of taste in the Middle East. It promotes bold new business and entrepreneurship, and acts as a key driver of the hospitality and foodservice sectors.

The HORECA brand has expanded beyond Lebanon with events in KSA, Kuwait, Jordan and Oman.
